A WEDDING THAT IS TRULY WHISTLER STYLE

"The beautiful scenery and excellent support staff made our wedding a dream come true."

John and Dawn Scarth

Thank you for considering the Whistler Golf Club for your special day. The Whistler Golf Club's location is perfect for weddings that are truly "Whistler" – a unique, outdoor ceremony setting that is surrounded by Whistler's local mountain peaks, a central village location that is within walking distance of most of Whistler's hotels and a beautiful clubhouse facility featuring a large, sunny patio with exceptional food and beverage selection and service, a complimentary shuttle for transporting guests to and from area hotels beyond walking distance, as well as plenty of free parking, the Whistler Golf Club offers everything for the perfect Whistler wedding.

The clubhouse at the Whistler Golf Club is a perfect wedding reception venue. The post and beam construction accented with large, floor to ceiling windows provides great views of Whistler's stunning scenery. The large patio, with optional tenting system, overlooks Whistler Mountain and allows for exceptional flexibility in the venue setup.

Most importantly, our events team will work personally with you and our preferred suppliers to set the stage for your day. We look forward to the opportunity to serve you on your special day.

THE DETAILS

- Our unique wedding location is a grassy knoll located 600 yards (5 - 10 minute walk for guests) from the clubhouse, offering incredible 360 degree views of the golf course, Whistler Peak, Rainbow Mountain, Cougar Mountain, and the spectacular chalets of Blueberry Hill.
- Ceremonies may take place at the Wedding Knoll after 5PM daily for a charge of \$500.
- Ceremonies before 5PM will be subject to a \$1,200 charge.
- Guests are required to walk to the wedding site on a paved walkway. Once they arrive at the knoll, they will be walking on grass. Please make invitations for ½ hour before the bride is to walk down the 'aisle'. Whistler Golf Club employees will escort guests to the knoll as a group.
- The bride and her bridesmaids will be brought to and from the site in golf cars (max. 6 cars without drivers). Additional golf cars (if available) may be rented for \$10 per car.
- Confetti/fake rose petals/non-biodegradable sprinkles will not be allowed.
- Any musicians required to set up at the Wedding Knoll must be able to ride to site in a golf car (no large equipment, harps, etc)
- Photos may be taken at the knoll, and all guests are to return as an escorted group. Photos taken at other locations on course may be arranged in advance in order to supply a Whistler Golf Club escort.
- A tent for the Wedding Knoll is not required, but having one on stand-by is recommended (or an alternate indoor site).
- A table and chair for signing the wedding license will be provided.

PALMER'S GALLERY AT THE CLUBHOUSE

- This post and beam construction features floor to ceiling windows and provides stunning views of Whistler Golf Club's 1st and 18th holes, ancient cedars, Whistler & Blackcomb peaks and even the occasional black bear passing by.
- Maximum indoor seating is 60 guests. Maximum seating including outdoor patio is 150 guests, however larger groups can be accommodated, just ask us how.
- All weddings over 60 guests must rent a tent or have one on standby. The tent must be set up/removed outside of peak hours/days and costs payable by the wedding party. Additional lighting in the tent is recommended.
- WGC provides 6 patio heaters, white linen tablecloths and napkins, all service ware, 2 bars, and 1 double-sided buffet. Tables for cake, guest book, and gifts will also be provided. Outside of this, all decorations, flowers, other colours of tablecloths, hardwood dance floor, chair covers, A/V and any other fixtures must be provided by the wedding party from other sources.
- Low profile, weighted centerpieces & deep storm candles are recommended and not provided by the WGC.
- While live bands are not allowed, DJ's may be set up inside Palmer's Gallery.
- Food service for exclusive weddings begins at 6PM (or later). Set-up may take place at 3PM or later of the same day.

PALMER'S GALLERY AT THE CLUBHOUSE

< Continued from previous page

- The timeline for the wedding ceremony and food service must be set at least 2 weeks in advance and can not be changed past this point.
- Last call for alcohol service is 1AM
- To guarantee exclusivity of the food and beverage facilities, a minimum spending guarantee of \$8,000 (pre tax and gratuity) exists. The \$8,000 guarantee is in place on all Saturdays in July, August, and September.
- A local wedding planner is recommended. If an official wedding planner is not used, the Whistler Golf Club will only accept instructions and decisions from one named person on the contract.
- Weddings held at the Whistler Golf Club will receive preferred rates to hold a golf tournament. Please contact the sales manager for details for this great pre or post event!
- Shuttle van to transport guests to/from Whistler hotels available for rent per hour.

PROUD TO BE GOING GREEN!

- The Whistler Golf Club is in the process of receiving full certification by the Audubon Cooperative Sanctuary System of Canada. The Audubon Cooperative Sanctuary Program for golf courses helps enhance wildlife habitats and protect natural resources for the benefit of people, wildlife and the game of golf. Achieving certification will demonstrate our leadership, commitment and high standards of environmental management.
- We work in conjunction with the Division of Fisheries and Oceans and the Whistler Fisheries Stewardship Group on Crabapple creek, which runs throughout our property. Crabapple Creek is a very important spawning ground in the Whistler valley for Trout and we are proud of the progress made on the golf course to enhance riparian and spawning areas in and out of the creek.
- We share our golf course with a valued member of our community The Black Bear. The Whistler Golf Course is an active habitat for Coyotes, Beaver and Black Bears throughout the year. It provides a corridor through the Valley for the migration of transient bears and a sanctuary for resident Bears. We work hard with the Whistler Bear Society to ensure Bears have access to their natural food such as berries and skunk cabbage and absolutely no access to human food.
- We have a recycling program in place for all beverage containers, paper, cardboard, used oil, oil filters, plastic oil and pesticide containers, scrap metal and non food compost.
- In 2007 The Whistler Golf Course installed a new \$1.2 million irrigation system allowing us to isolate single sprinkler heads thus reducing water usage. We also have a fleet of Electric golf carts used on a daily basis with zero emissions.
- We follow an integrated pest management plan for turf grass managers from the Western Canadian Turf Grass Association and the Ministry of Agriculture in British Columbia. We adhere to all aspects of the Ministry of Water Land and Air Protection in British Columbia when it comes to applying pesticides.
- The Whistler Golf Course team is very proud to be part of an industry that is responsible for the environmental stewardship of over 310,000 acres of land in British Columbia (GroundWorks, 1999). We will continue to work hard to ensure that guests and the community will be able to enjoy a memorable golf experience along with the natural environment in Whistler for years to come.
