[www.whistlergolf.com](http://www.whistlergolf.com)

# WELCOME TO THE WHISTLER GOLF CLUB

Welcome to the Whistler Golf Club – Whistler's number one choice for group golf outings! You'll notice the difference in a Whistler Golf Club outing from the first moment you meet a Whistler Golf Club team member. You feel it the minute you approach the Clubhouse – classic rock and roll playing, a guest host sporting a wide grin and a laid back Whistler attitude greets you and your guests, introduces herself, takes your clubs and acquaints your group with the Whistler Golf Club – Arnold Palmer's first Canadian design.

While the spectacular view, signature design and uncompromising course conditioning are standard fare, it is the friendly, relaxed and helpful personality of the course staff that makes a Whistler Golf Club experience uniquely Whistler.

Located just an hour and a half north of Vancouver (120 km) or four hours from Seattle, Whistler defines mountain golf in a spectacular setting. We welcome you to the Whistler Golf Club – Palmer's design. Whistler's attitude.
